

Assets

The State of the Netherlands – PH-KBX

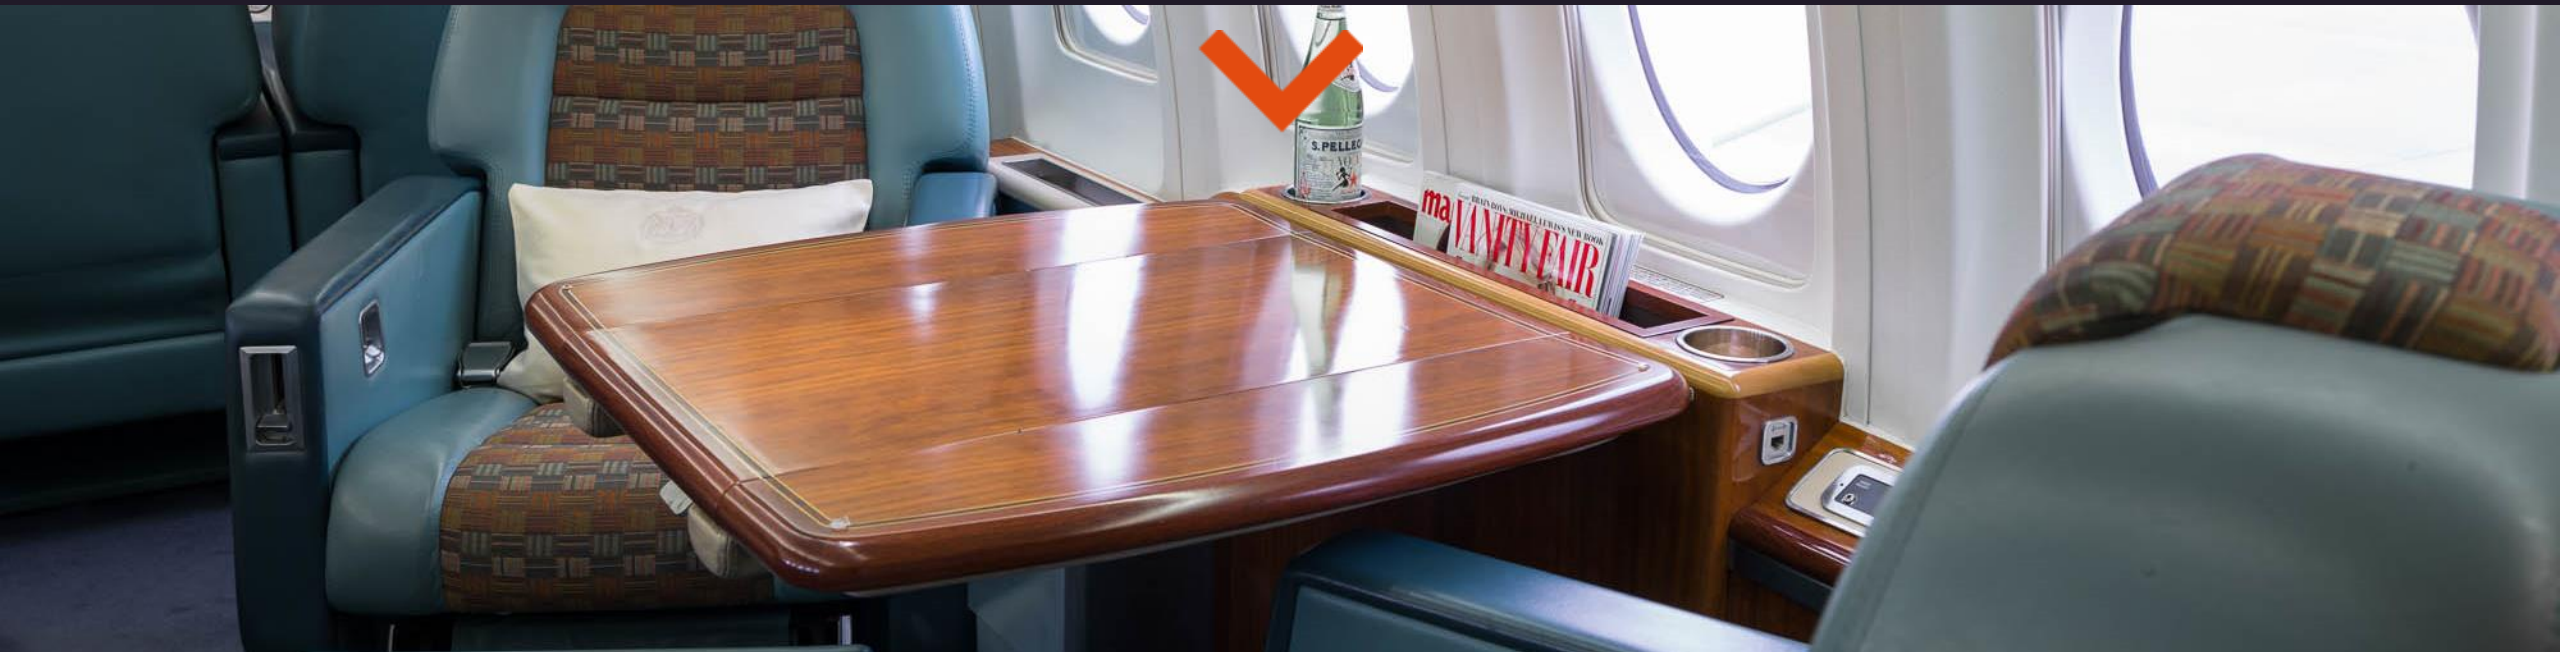

ALTEA successfully managed the sale and delivery of a 22-year-old Fokker 70 in VIP configuration for the State of the Netherlands. Intelligent and effective, ALTEA's market knowledge allowed us to achieve an optimum solution for this sale.

Assets

From mandate to sale in just 4 months

- ALTEA created custom media to remarket this iconic example of a Fokker 70
- ALTEA closely monitored aircraft preparation for successful hand-over to buyer in Australia

Assets

- > Inspection & Valuation
- > Acquisition & Sale
- > Advisory & Intelligence

The ALTEA team takes care of all financial, commercial, technical and regulatory matters to make every project a smooth and productive experience.

THE ALTEA difference

Our major achievements on this project

- > Complete project management, technical and commercial oversight
- > Disposal within 4 months in a challenging market
- > Achieved sellers' asking price
